### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: In the examiner's opinion, the allowability, at least in part resides in the recitation of a power amplifier comprising subcircuits including components mounted on the first signal distribution layer and controlled impedance circuits used for operation of such components, the second ground plane layer completing the controlled impedance circuits and a substantially metallized fourth ground plane layer of the circuit board coupling directly with the main surface of the chassis body to provide a ground reference to the circuit board, the second ground plane layer being directly coupled with the fourth ground plane layer in combination with each and every recited limitation as required by independent claims 1 and 35.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phuong T. Vu whose telephone number is (703) 308-0303. The examiner can normally be reached on Mon. & Tues., 7:30 AM - 4:00 PM.
